Sarah as emailed previously, the only documentation that this GSA office has is that which CBRE, Inc sent to obtain The Professional Services Schedule (PSS) contract GS-00F-035DA award. All task orders and proposals against this contract with other agencies (or other GSA offices) are retained within those offices and not this office.

In looking at the "RFTOP Brokerage Services (CBRE)" file and other files, I was not able to identify any other identifier(s) (e.g. a DC gov't DOC# or CW#) beyond your GSA contract number. I cannot explain why no Request for Proposal Task Order number was identified with the request.

My recommendation would be to resubmit your FOIA request to the DC Government without the GSA contract number being in the immediate request and with the above information that there is no identifier other than "Brokerage Services" and "for management of the District's real estate portfolio". You may want to contact linda.givens@dc.gov explaining to her the circumstances of your dilemma to see if she can help you with the FOIA request.

Other resolution options may be:

- 1) Contact the contracting officer per the D.C. Municipal Regulations, Title 27. CONTRACTS AND PROCUREMENT, Chapter 27-16. PROCUREMENT BY COMPETITIVE SEALED PROPOSALS, Section 27-1648. POSTAWARD DEBRIEFINGS (<http://dcrules.elaws.us/dcmr/27-1648>).
- 2) As a last resort, you may decide to contact the Deputy Director of the Office of Contracting and Procurement (OCP) (<https://ocp.dc.gov/>).

Best of luck.
